Bridgeport High School, unlike the vessel with torn sails and unkempt decks, will never be set aside, for it has modern educational features in every aspect. The architectural structure, spirit, and atmosphere hold an air of proudness for each classman.

Presenting the highlights of 1962-63, the Nomad has been edited so you can recall the thrilling events that have now become fond memories of a successful school year.

Just as a captain would open his "Log" to relive his delights and discouragements of a long ended adventurous voyage; a student of Bridgeport High School can reminisce in much the same way.

Pictured here, from left to right, are P. Willox, School Board President, T. White, Superintendent, and E. Strait, Principal, who were presented the Bridgeport Community High School from Mr. Wigen, the architect, and who in turn dedicated it to the student representative, D. Karmon, Student Council President. The ceremonies took place on October 21, 1962 at the High School.

School Board

Discussing the problems of today and those of tomorrow are the members of the Bridgeport Board of Education. They are from left to right: Peter W. Willox, President; George L. Guenther, Secretary; Fred M. Schrah, Trustee; Guy L. Hanlon, Trustee; Otto A. Schluckebier, Treasurer; and Thomas W. White, Superintendent.

Being the administrative and policy making body of the Bridgeport School District, their jobs run from planning the size of the school buildings to buying the buses.

Activities

Sharing the same interest as the P.T.A., the S.O.C. Club carries on a question and answer period with former Bridgeport students that have been exchange students in the past. Counting from left to right, the first six members of the panel are from the S.O.C. Club and the remaining five are exchange students. Helping promote the interest in the Student Exchange Program is just one of the many projects carried on by the P.T.A.

P.T.A.

The executive board of the P.T.A. from left to right are: Mr. Leno Kelly, President; Mr. James Hubbell, Treasurer; Mrs. Herbert Young, First Vice-President; Mrs. Russel Anderson, Membership Chairman; Mrs. Howard Thayer, Secretary; Mr. George Burrows, Teacher Vice-President; Mr. Eugene Strait, Advisor; and Mrs. Charles Jansen, Corresponding President. Pictures missing are Mr. Frank Muzer, Second Vice-President and Mrs. Douglas Jerome.

Mr. Eugene Strait, Principal, and Mr. John Brown, Assistant Principal.

With the ultimate goal of making Bridgeport High School the best, we have as our principal, Mr. Eugene Strait. Assisting him is Mr. John Brown, who is also intent on developing high standards for our school.

Mr. Strait, being a graduate after seven years of learning, has attended several colleges and universities. Asside from being principal, he has written a number of magazine articles and has had two television shows dealing with education.

Having attended Central Michigan University, Mr. John Brown is now assistant principal of Bridgeport High School.

Besides the strenuous job of being assistant principal, he is also head of the business education department.

Honoring Bridgeport with years of service, Mr. and Mrs. Thomas W. White have been doing their best to keep Bridgeport up to the highest standards.

Mr. White, having been our first superintendent from 1941, has devoted his time and patience to our school for twenty years. Graduating from Central Michigan University, he then went on to claim the title of principal at Perrington. Previous to Bridgeport he has been superintendent at three other schools.

Mrs. Thomas White, Assistant Superintendent, is going on her twentieth year at Bridgeport. Her first year at Bridgeport consisted of teaching all eight grades in a one room school. Taking her work with pleasure and always with a bright smile, she continues to do her best for Bridgeport.

Our job

GUIDANCE DEPARTMENT: (left to right) Mrs. Dora Heilman Counselor, Mr. Robert Kocks Counselor, Mrs. Jean Benway, Guidance Secretary, and Mr. James McGlaughlin, Director, pictured here are busy people. The goal of the staff and the department is to answer the educational, vocational, and personal needs of the students body, within the framework of a school.

Some of their many important accomplishments of the 1962-63 year are assisting in establishing an honor and credit system for graduation requirements, including interviews with 11th grade students to evaluate their credits.

They have also conducted national tests such as D.A.T. and S.C.A.T. and are obtaining and displaying up to date occupational, educational, and college materials. In all, they are certainly an asset to B.H.S.

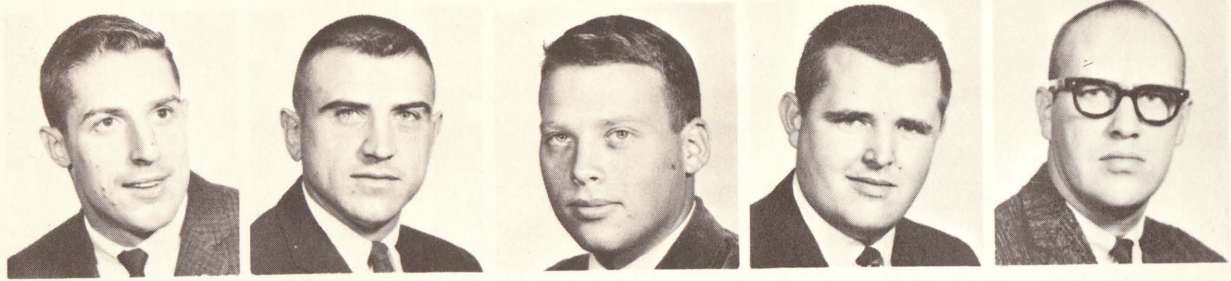

Students J. Bowns, L. Medearis, and W. Lysadowsky study in a peaceful atmosphere receiving additional help from the head librarian and her helpers. These girls gain valuable experience from this work, and some of them include C. Higgs, S. Ader, D. Brown, L. Bosman, B. George, B. LaBeau, M. Young, P. Kurzhals, M. Lurins, P. Roinson, L. Rice, N. Wendland, W. Leio, D. Hubbell, and S. Fike.

Mrs. Michael Howard, Head Librarian, is known for her cheerful smile. She has introduced many helpful systems in the library to make it a modern and efficient place to study, research, and enjoy.

Classrooms

Typing

The familiar sound of the typewriters being used by the personal or commercial typing classes, can be heard almost always as you walk down the halls at B.H.S.

Latin

Mrs. Heinrich, shows Theresa Chowaniec, the Latin version of the 'Pledge of Alligance,' while the rest of the class listens attentively.

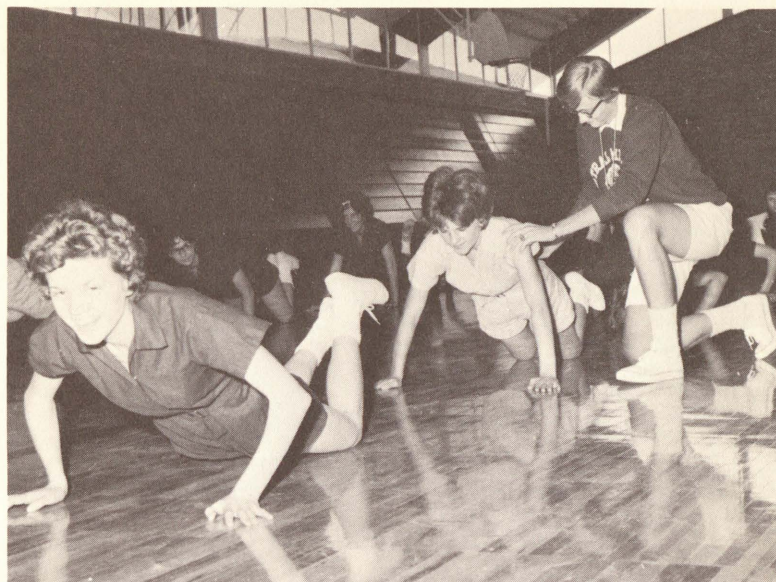

Vocal Music

"1-2-3- Ready, Sing." Mr. Thomas Leaman, directs this quartet consisting of Sue McMan, Dennis Shafley, Joyce Seelmiller, and Richard Jewell, with Ellen Belt at the piano.

Physical Education

Learning how to do a proper push-up from the girl's gym teacher, Miss Salsbury, are Julia Luzern and Linda Kralosky.

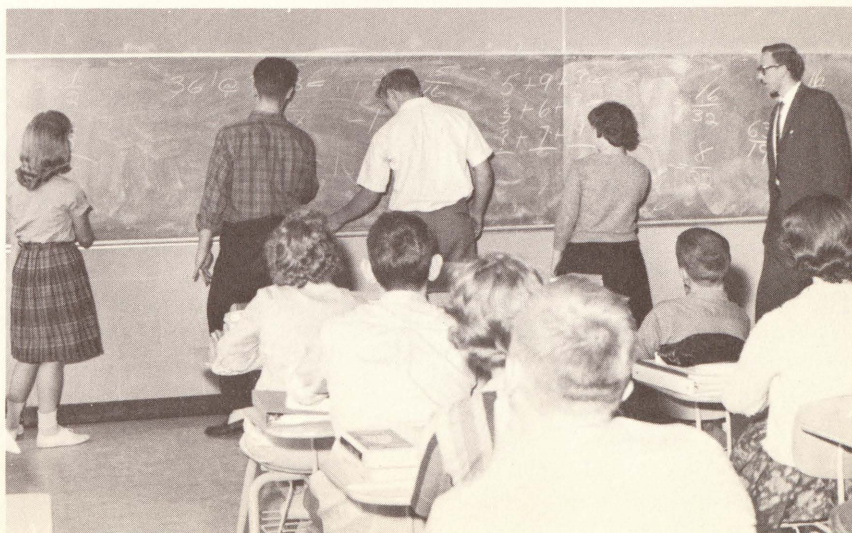

Spanish

The language lab is a fine example of the advanced methods of teaching a foreign language used at B.H.S. The lab at this time was being used by one of the Spanish classes, taught by Señor Trudeau.

Business Mathematics

Mr. Gendregske gives pointers to the students at the board; Sue Edinger, Terry Dietzel, Richard Martin, Carol Schaeding, while the rest of the class looks on with interest.

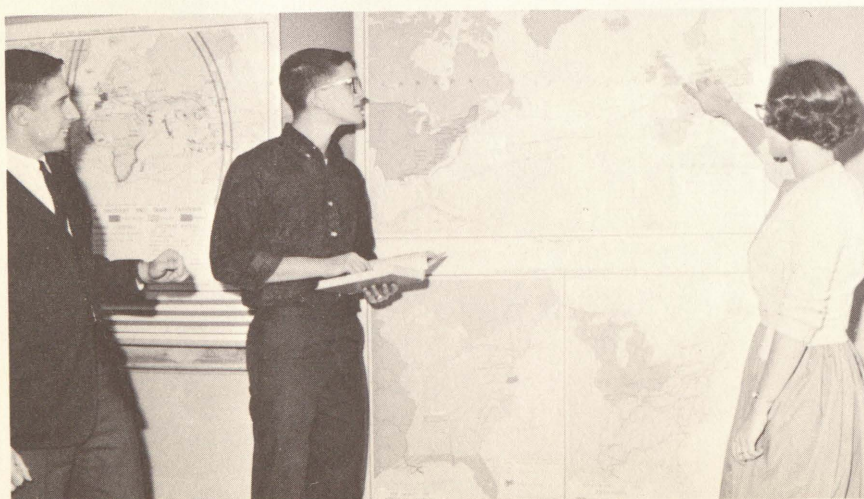

French

Studying a foreign language is fun when you can use a new and modern lab, as shown here by one of Mrs. Murray's French Classes.

Biology

"Using a microscope is interesting," comments Mrs. McGlennen as Tom Manor, John Jerome, and Ron Hagerl find out in Biology Class.

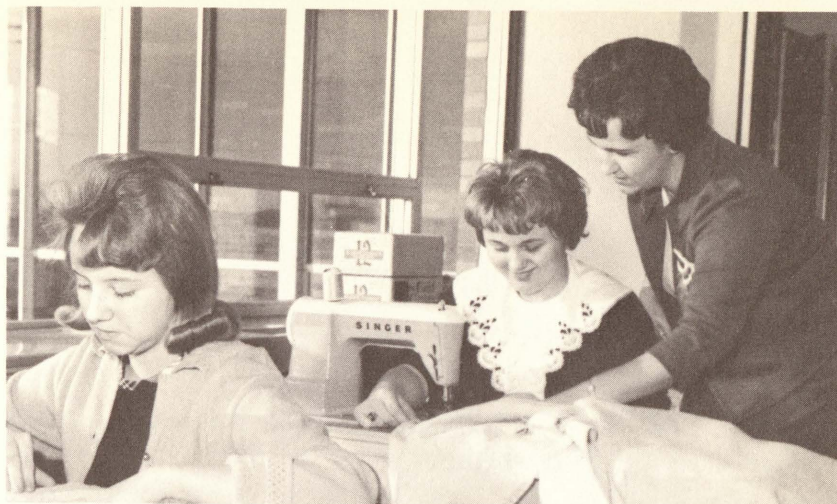

American History

American History teacher, Mr. Callard, looks on as Myrna Kunkel points out an important location to Gary Clark.

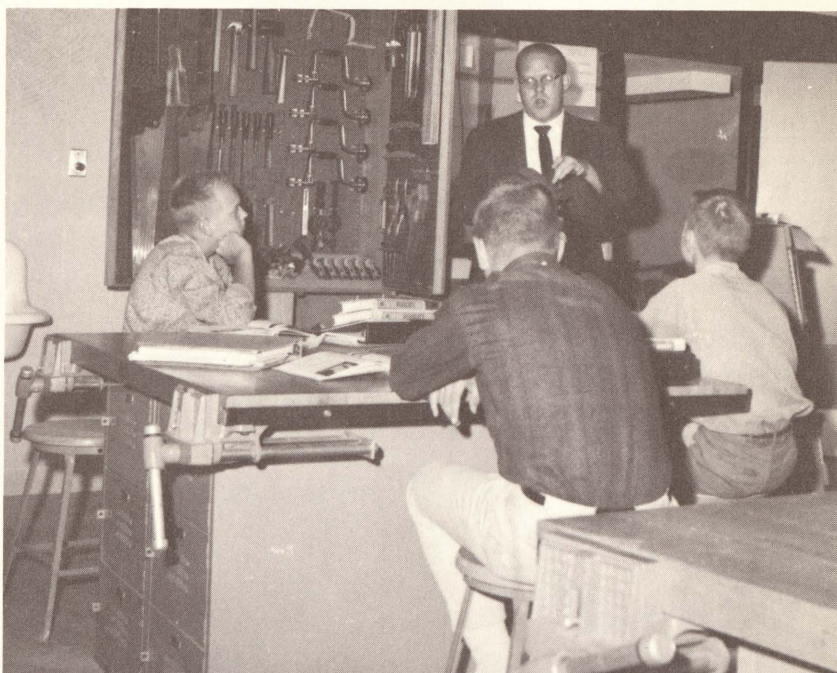

Homemaking

Helping Olga Zalensas sew draperies for the windows of the homemaking room is Miss Deadman. Other activities of this class are cooking and home-nursing.

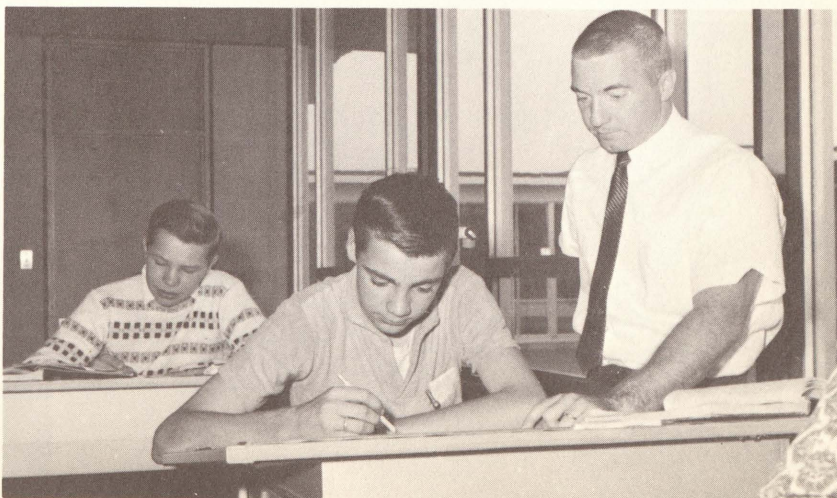

Shop

Showing (from left to right) Jeff Kersh, Tom Ryan, and Dale Jorgensen the identification of the tools necessary to make such things as bookcases, gun racks, end tables, and magazine racks, is Mr. Evans.

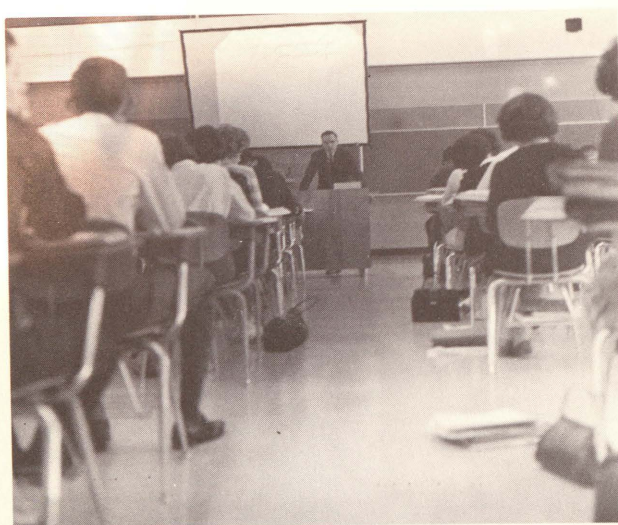

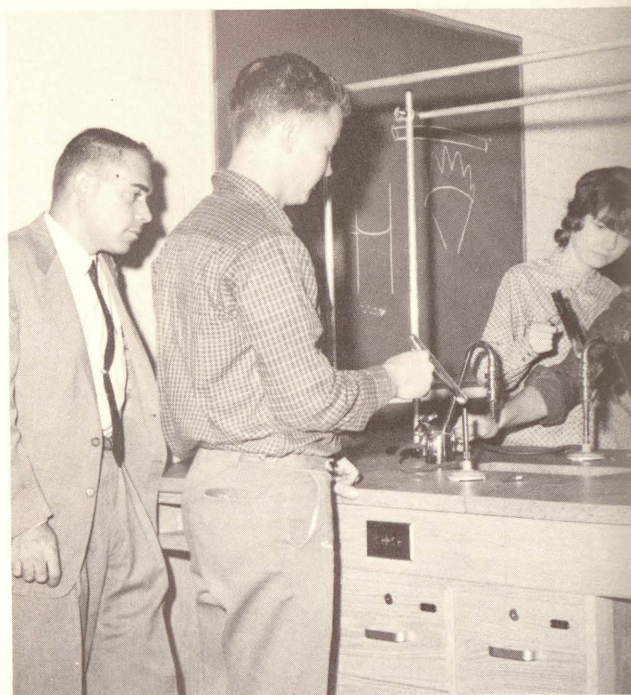

Drafting

Mr. Roscoe explains to Larry Staples one of the many problems encountered by students taking drafting. Pictured in the background is Eric Young. This drafting course contains exploratory drafting, mechanical drafting and architectural drafting.

Physical Science

Ray Novak, Sandy Davis, and Larry Dezelah find using the lab for Physical Science class a new and different challenge, while Mr. Immer watches on.

Algebra

Room 165 is a busy large group lecture room as shown here by Mr. Frank, who is lecturing to his Algebra class.

Art

Mr. Leis enjoys showing his Art I class the fundamentals of ceramics.

English

The auditorium at B.H.S. is often used for large group lectures, which allow the teachers to get more and better material to the students. At this time it was being used for the 11th grade group English class.

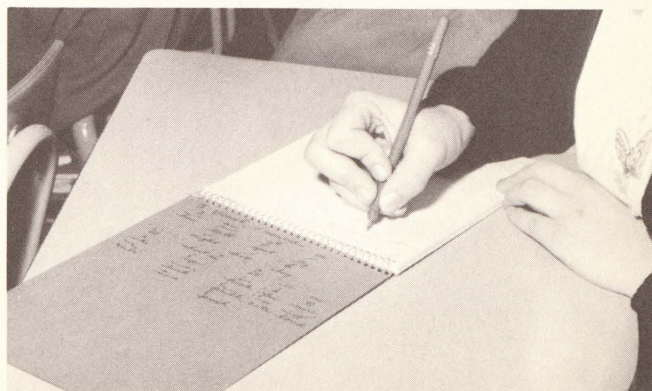

Chemistry

"Chemistry sure is exciting," may well be the comments made by these chemistry students Darrell Seegmiller, David Morris, and Sue Stevens, while Mr. Immer watches them prove an experiment.

Shorthand

Thanks to the experienced teaching by Mrs. Emma Maeder, these skilled hands will find many job opportunities open to them.

Elba and Terry listened attentively during an assembly given in their honor before their departure.

B. H. S. Receives Foreign Exchange Students

On November 27, B.H.S. had the honor of receiving Elba Uribe and Maria Theresa Molinar, the first foreign exchange students to attend school here. Both girls came from Mexico and were sent by the Youth for Understanding Teenage Exchange Program. They attended classes here for 8 weeks and represented their country well. Elba and Terry attended many activities at our school and enjoyed them very much. During their stay, Elba resided at the home of Mr. and Mrs. Samuel Church while Terry stayed at the home of Mr. and Mrs. Frank Muzer. All of us at B.H.S. enjoyed their stay very much and are looking forward to having more exchange students.

Above: Terry holds up scarf (of Michigan) given to her by the Spanish II class which she attended during her stay.
At Left: Elba holds the gift presented to her during the assembly to honor her and Terry.

Students Plan Together . . .

Members of the student council planned many of the student projects. They have worked hard to keep our school one of the best in the nation and state.

Council Strives to Achieve

A week before the student elections, students made the nominations by turning in the name of their nominee to the bookstore. The students receiving the most votes on the primary election were put on the final ballot. The elections were close and they left a feeling of excitement in the air as the final ballots were counted.

The Junior class election was a close one. Donna Hannay, Lloyd Gabriel, Ginny Winters, and Dave Karmon, Jerry Jerome, came out on top. The Sophomore class elected Fred Langschwager, Kris Gustafson, Pam Baszler, Jenelle Crane and Cherry Strudgeon. The Freshman were Connie Sleamon, Jo Anne Thayer, Pat Eastman, Shana Nelson and Marlene Robb.

Achievement is the council's main object. They are constantly striving to keep our school up to the standards set by the community and the student body.

Projects Successful In 1963

Hi-Y Project

During the past year one of the projects which the Hi-Y members have participated in providing plants for the library. Along with the plants came this very appropriate poem. "Mrs. Howard—We planted and potted these plants for you. We placed the plants with care, knowing that they would look best there. And here is a brown watering can too—I'm sure you know the rest is up to you! Now please don't fret and worry for these plants are sure to grow in a hurry. But if the plants on their sides do lie—Just contact a Hi-Y Guy!!"

Wiese, Co-editor of Faculty and Administration; P. Schomaker, Co-editor of Classes; K. Thayer, Art Editor; J. Hemerline, Co-editor of Classes and Administration.

THE PATH

The road to a successful yearbook is a long and rough one with many discouragements and accomplishments. The 1962-63 Nomad staff pictured above, from left to right, are Terry Strudgeon, Copy Editor; Connie Cronk, Co-editor; Ginny Winters, Co-editor; and Ruth Raskinis, Business Manager. They have worked hard with the entire Journalism department to complete and edit a yearbook for pleasure and enjoyment in the years to come.

To the right are D. Shutt, Sports Editor; L. Heilbronn, Assistant Sports Editor; and F. Langschwager, Assistant Business Manager, who have attempted to present action shots, sports coverage, interesting ads, and the sparkle and glitter of the sports world of B.H.S.

To the left: The yearbook class is just beginning its' journey with interesting topics of discussion in class, and assisting in work on the yearbook. They are S. Letson, C. Sleamon, D. Zissler, J. McLean, and B. Priest.

Newspaper

"We are proud to be a part of the production of the Scroll," are the words of G. Clark, Editor in Chief, L. Patterson, News Editor, D. Hannay, Business Manager.

Journalists

Recording and publishing the history of the school in word and picture, the journalist preserves those many hours spent in fun and serious work as the year travels on. The ringing of the cheers as they echo about the empty gym after a great basketball season. All of the cherished things during the year are captured by the pen and camera of the school's publication, the Scroll.

The band has performed at football games, exchange concerts, the Saginaw Fair, district competition, and inner school concerts. Within the Concert Band are the Pep Band and the newly established Jazz Band, which have done their part in making the band program at Bridgeport a very much wanted and necessary part of the high school curriculum. The Pep Band performed at basketball games and the Jazz Band played at basketball games, assemblies, exchange concerts, and school dances.

Christmas Singing, Spring Concert, and a Musical Festival are only part of the fun and entertainment, the Bridgeport A Cappella Choir has provided for Bridgeport and other schools this year. Under the direction of Mr. John Leaman, the choir would meet on school days to rehearse their selections.

The choir helped in forming a very beautiful Christmas program when they sang several Christmas carols and hymns.

They performed for a Music Festival at Delta College in Spring. They also presented a few numbers at the Spring Concert in May.

B.H.S. First

The proud moment had arrived and, as the student body applauded, Sue Guenther (pictured left), Beverly Boese, and Connie Cronk walked on stage and received the honor of being the first exchange students from Bridgeport High School. Their parents, who attended the assembly also, presented each girl with a lovely corsage.

Later, it became known that Jane Sny was chosen to visit Europe also. The girls will "take off" approximately on June 20, 1963.

This year's junior varsity team packed quite a wallop even though they were known as the "little" Bearcats. The J.V. combined a fast backfield, good lineman, and good defense to compile an even season's record of four wins and four losses. The team also scored 179 total points against 174 for it's opponents.

Five girls nervously awaited the half-time activities at our last home game of 1962 against Reese. One of them was to be crowned as Bridgeport's first homecoming queen. Who would it be? Fran Winkowski, Bernetta Kujawa, Barb Sheedlo, Jane Klisch, or Michele Lange? A cheer rose as Fran was crowned the queen. She reigned over the rest of the game and for the dance "Queen's Kickoff", afterwards.

Football Field Dedication

On the cold, rainy night of September 21, Bridgeport proudly turned on the lights of its new football field. This night was the climax to months of planning and hard work, mostly voluntary, by the Bridgeport-Spaulling Athletic Association. At half-time ceremonies, Mr. Allan Seelman of the Athletic Association presented the field to Board of Education President, Mr. Peter Willox.

The rain hardly bothered our Bearcat football team as they splashed on to win an exciting game from Douglas McArthur, 7-6.
